A lot of work was done on the outside shooting range. It took the hard work of many of our members to pull it off. Thanks to those members who realize how important this is for our club and took time out of their weekend to make these improvements. Doug Wylie, your time and the use of your tractor was a huge help on this project.

Recently a past member, Mike Hayden, passed away. His family donated Mike's ice fishing equipment to the RSC for a junior club member or member's child/niece/nephew etc. who is interested in ice fishing and needs some equipment. We thank them for their donation and are going to run a raffle. There is NO COST to enter the raffle. You must be 14 years old or younger to enter the raffle. Your name can only be entered once. The winner's name will be drawn at the general meeting in July. An envelope or jar will be set up at the bar for entries. Good Luck!

The club has been hosting many events and doing lots of improvements. We rely on our members to volunteer their time in order to get things done. However, it is the same people that are always stepping up to get things done. It is time for other members to help out and get involved. It not only counts toward your yearly hours, but it is a great way to get to know other club members better. Many members that get involved, no matter how easy or hard the work is, end up having a lot of laughs due to the humorous nature of our members. So if you have not stepped up to the plate recently, now is the time as we need your ideas to make the club one of the best. **OUR CLUB IS ONLY AS STRONG AS OUR MEMBERSHIP!**
