What an awesome year for the indoor shoots with a mixture of bullseye and action pistol. Each type of shoot develops different skills in the shooting sport. These events brought lots of excitement to our sport shooters and there is interest to keep an indoor shoot going throughout the year on a Wednesday night.

A Basic Handgun Operations & Maintenance was held on Saturday morning for our new members. Bill Gonzalez & Patrick Petrocelli volunteered their time to train the new members the proper breakdown and cleaning of their personal handguns. The new members were very thankful for this event.
