News:

The state has delivered 432 young pheasant to our club and they are in the pen. Before they were delivered to us this year a large amount of repairs were needed on the pen, mostly due to the harsh winter. The Club would like to thank Doug Wylie for heading up this project. Along with the fixes to the pen came a hefty price tag. Not only did Doug lead this project but came up with a creative way of paying for the project. He started a raffle for a cord of fire wood which paid for almost the whole repair. Way to go Doug! Like most projects of this size it takes man power and Doug as well as the club wants to thank Kenny Gougan and his son Nick, Dave Zglobicki, Bob Stacey, Bob Barson, Bob Hoch, Al Glockner, and Cheryl Wylie for there help. We also want to thank all the people that sold the raffle tickets and those who bought their chances. The winner of the raffle was Steve Puliofico. Congratulations Steve!

Now that we have the birds we need to care for them and keep them healthy. This is a daily effort to feed, water, and watch their condition. Help is needed with this from now until hunting season. Want to help contact Scott Davis 508-769-0162.
