Special thanks to Bob Hoch and his crew for an excellent endeavor into culinary excellence.

### Hunter Safety

Rick French gives his last class at the RSC as he retires from Hunter Safety Instructor. Rick and his wife Ruth have done a tremendous job instructing thousands of new hunters over the years to be safe with their firearms and their surroundings. It has always been a pleasure to have them at our club and we hope you enjoy your retirement as you will have more time for the outdoors. Thank you Bob Hoch, Al Glockner, Kevin Leonard, Bill Gonzalez, Craig West for putting on awesome game lunch for everyone attending the hunter safety course.

Rick French Compass Instruction – The video is much better! I hope nobody gets lost! 😊  
After repeating the instruction a few times and some one-on-one instruction everyone should be able to get out of the woods.
